About Us

Yagdil Torah is proud to be an important part of the cherished chain of our Tradition, ensuring that outstanding, brilliant leaders and teachers will emerge to light the way.

We do our part by supporting hundreds of hand-picked, select avreichim who study intensively for a number of years to groom them for their future tasks as leaders, teachers, poskim, and Dayanim. Freed from the burden of earning a livelihood, these remarkable Torah scholars may learn, unhampered, preparing themselves to meet the needs of Jewish communities worldwide.

The distinguished heads of Yagdil Torah, HaRav HaGaon Rav Zvi Braverman, shlita, and HaRav HaGaon Rav Naftali Nussbaum, shlita, personally test and select the exceptional avreichim who will join the prestigious Yagdil Torah team and will later emerge as morei hora'ah, roshei yeshivos, and gedolim b'Yisrael. All of Yagdil Torah's decisions are made by Gedolei Yisrael and we cherish the glowing endorsement we have received from several prominent Torah dignitaries from across the entire Jewish world.

In addition to our main vision, Yagdil Torah also provides support to thousands of talmidei chachamim and their families every Yom Tov to cover holiday expenses.

But we need your help.

This past year, HaRav HaGaon Rav Chaim Konyevski, shlita, and HaRav HaGaon Rav Shlomo Elyashiv, shlita, declared that supporting talmidei chachamim is the most hallowed and valuable tzedakah cause.

Our vision is clear and powerful. We would like to expand both the number of avreichim in our program, as well as the stipends they receive. All proceeds from this Auction go directly to supporting and preparing a Torah scholar for a future position as a lay leader of Klal Yisrael. YOU can help build our gedolim of tomorrow by participating in the Yagdil Torah Mega Win, along with thousands of generous Jews in Israel and the United States

LETTER FROM THE RABBIS ENDORSING YAGDIL TORAH

A Special Appeal

It is well known the difficult situation and financial pressures faced by the families of married Torah scholars, Talmidei Chachomim, who spend their every moment studying, fulfilling and delving into the precepts of the Torah. These Talmidei Chachomim tend to live a life of poverty and physical deprivation in order to engage themselves in studying the Torah. However, even more unfortunate are those who have left well-off families to become close to the wellspring of life – the Torah of Hashem, bringing many of them to extreme physical hardships, bereft of their parents' support. Some of them are without housing, having to move from one place to another, and many have barely enough money to buy bread for their families. In spite of this, these Talmidei Chachomim are applying themselves to their Holy studies in order to achieve what the sages referred to as the Crown of the Torah.

Seeing the need and urgency of help those wonderful married Torah students, Rabbis and publicly-minded workers, headed by our friend, Grand Rabbi Yochanan Viener, Shlita who saw the need and urgency have organized themselves to set up a Fund called “Keren Yagdil Torah” which, as its name suggests, will enable these precious and serious students to continue their purpose of diligently pursuing their studies and delving into the depths of the Torah which is the real Tree of life. We also (the above mentioned Rabbis) have agreed to be associated with the effort by joining in this Mitzvah through serving on the board of governors so that the Fund will be run under our auspices by the Almighty's help blessed be He. We therefore call upon all of those willing to contribute to this Heavenly cause, whose hearts warm to the seriousness and importance of this effort for G-d's sake and for His Torah, to join Hashem with prowess for the sake of the “Yagdil Torah” Fund, by supporting them through the correct and fitting channels, as is worthy of such a wonderful Mitzvah, which so much of the fulfillment of the Torah is dependent upon, in order they should be able to achieve their pure goals. We add our blessings from the wellspring of the Torah to have the bounty rain on them from Heaven to achieve the blessings both material and spiritual including everything that they turn their hands to, as is befitting people engaged in this Mitzvah that protects those engaged in its every aspect.

To this we add our signatures with Torah blessings

Enter to win **\$6,000** on Iyyar 7th / May 1st

You know what they say about the early bird catching the worm? At the Yagdil Torah Mega Win, early birds can catch a lot more than a worm—you'll actually be eligible to win thousands of dollars in cash! Here's how it works: The first 1,000 donors to buy tickets for our Mega Win Auction are entered into an Early Bird Drawing to win \$4,000 cash! The Drawing will be held as soon as 1,000 lucky donors have bought their tickets. But wait—there's more! Every Rosh Chodesh, your amount of tickets doubles. That means if you buy ten tickets in February, by March you'll already have twenty tickets entered in the Auction. By May, you'll have forty tickets, greatly increasing your chances to win our fabulous prizes. So you see, the early bird really is a winner!

ADMIT ONE

And just when you thought it couldn't get any better, here's another way early birds can win lots of cash: All** early bird donors will be entered into a special drawing to win \$6,000 cash on the seventh of Iyyar! Even if you're amongst the first 1,000 donors eligible for the \$4,000 cash drawing*, you can still be entered into our second Early Bird \$6,000 Cash Raffle! Plus, your tickets start multiplying the moment you purchase them, bringing you more chances to win in our Early Bird drawings and later, in our Mega Win. Just a few compelling reasons to buy your tickets--today! Be a winner, get an early start. What can YOU do with thousands of dollars of cash...?

* US donors only

** Includes all donors internationally
